

Town of Southold

Erosion, Sedimentation & Storm-Water Run-off ASSESSMENT FORM

PROPERTY LOCATION: S.C.T.M. #:

THE FOLLOWING ACTIONS MAY REQUIRE THE SUBMISSION OF A STORM-WATER, GRADING, DRAINAGE AND EROSION CONTROL PLAN CERTIFIED BY A DESIGN PROFESSIONAL IN THE STATE OF NEW YORK.

District Section Block Lot

Item Number: (NOTE: A Check Mark (✓) for each Question is Required for a Complete Application)

Yes No

- 1 Will this Project Retain All Storm-Water Run-Off Generated by a Two (2") Inch Rainfall on Site?
(This item will include all run-off created by site clearing and/or construction activities as well as all Site Improvements and the permanent creation of impervious surfaces.)
- 2 Does the Site Plan and/or Survey Show All Proposed Drainage Structures Indicating Size & Location?
This Item shall include all Proposed Grade Changes and Slopes Controlling Surface WaterFlow!
- 3 Will this Project Require any Land Filling, Grading or Excavation where there is a change to the Natural Existing Grade Involving more than 200 Cubic Yards of Material within any Parcel?
- 4 Will this Application Require Land Disturbing Activities Encompassing an Area in Excess of Five Thousand (5,000) Square Feet of Ground Surface?
- 5 Is there a Natural Water Course Running through the Site?
Is this Project within the Trustees jurisdiction or within One Hundred (100') feet of a Wetland or Beach?
- 6 Will there be Site preparation on Existing Grade Slopes which Exceed Fifteen (15) feet of Vertical Rise to One Hundred (100') of Horizontal Distance?
- 7 Will Driveways, Parking Areas or other Impervious Surfaces be Sloped to Direct Storm-Water Run-Off into and/or in the direction of a Town right-of-way?
- 8 Will this Project Require the Placement of Material, Removal of Vegetation and/or the Construction of any Item Within the Town Right-of-Way or Road Shoulder Area?
(This item will NOT include the Installation of Driveway Aprons.)
- 9 Will this Project Require Site Preparation within the One Hundred (100) Year Floodplain of any Watercourse?

NOTE: If Any Answer to Questions One through Nine is Answered with a Check Mark in the Box, a Storm-Water, Grading, Drainage & Erosion Control Plan is Required and Must be Submitted for Review Prior to Issuance of Any Building Permit!

EXEMPTION:

Yes No

Does this project meet the minimum standards for classification as an Agricultural Project?

Note: If You Answered Yes to this Question, a Storm-Water, Grading, Drainage & Erosion Control Plan is NOT Required!
