

SATURDAY, MAY 31, 2008
SOUTHOLD TOWN'S 3RD ANNUAL RELAY FOR LIFE
JEAN COCHRAN PARK
PECONIC LANE-PECONIC-NY

Survivor Reception 5:00 pm
Opening Ceremonies/Survivor Lap 6:30 pm
Non-registered visitors welcome until 12:00 am

Relay For Life® is a fun-filled overnight event designed to celebrate survivorship and raise money for the American Cancer Society. We come together to raise awareness about cancer prevention while empowering our community to accelerate the American Cancer Society's advancement towards a healthy future. This organization saves lives, helps those who have been touched by cancer, and empowers individuals to fight back against the disease

During the event, teams of people throughout the Southold community (Families, friends, co-workers, civic organizations) gather at the park and take turns walking laps. Each team keeps at least one member on the track at all times but Relay For Life is much more than just a walk around a track. It is a time to celebrate with and honor those who have survived. There are fundraising activities and games, refreshments, and entertainment for people of all ages!

This is the night that people who have shared the same experiences come together to comfort and console one another. This is the night that we remember those that have been lost to cancer. This is the night that everyone becomes informed about how to FIGHT BACK against this disease.

So mark your calendars and join us at Jean Cochran Park on Saturday, May 31st to experience the Relay phenomenon. Come cheer for local survivors, walk in the luminary lap, honor the fight, and remember those that have lost the battle. Visit this year, absorb the atmosphere, and this will be the night that you mark on your calendar every year!
