

## **INTRODUCTION TO KAYAKING ON THE EAST END**

This introduction to kayaking program incorporates not only the basics in paddling but also provides an introduction to the beautiful East End environment. Participants will learn instruction on proper stroke techniques, steering, and turning as well as an introduction to the native wildlife typically living in and around our marine wetlands. All kayak, paddles, life vests, and dry bags are available from Bayview Kayak Tours (631-466-4943) for a rental fee of \$20 for the entire session.

Participants should have a current Town of Southold 2009 parking sticker on their cars as access to the pond is via a dead end road that requires town parking permits.

**JULY 13 THROUGH AUGUST 17**  
**MONDAYS, 5:00 - 7:00 P.M.**
