

HAND APPLIQUE QUILTING CLASS
with Tippy Case

Autumn is a time of falling leaves and warm colors. In our appliqué class this summer, we will create a table runner decked with autumn leaves in warm tones - ready to decorate your table this fall. This course is suitable both for beginners and those who have appliquéd before. You will need to bring ½ yard of background fabric, ½ yard of a coordinating color for borders, and scraps of autumn colors for leaves. Also needed are basic sewing supplies: scissors, thimble, pins, needles (#10 milliners' needles) and thread that matches your colors.
