

**HOW TO USE YOUR COMPUTER
A COURSE FOR BEGINNERS
with Kendra Wadlington**

If you have access to a computer and do not know how to use it, than this is the course for you. In a simple and non-intimidating way you will learn how to operate it and how to create letters, documents, budgets and other useful things using word and excel. Just bring an open mind. **We do not have access to the internet, so unfortunately we cannot cover related topics.**

**JANUARY 21 THROUGH MARCH 18
THURSDAYS, 7:00 - 8:30 P.M.**

COST:

RESIDENTS: \$40/person

NON-RESIDENTS: \$50/person

LOCATION: Southold High School, Room #106

Class will not be held on February 18
