**Community Action Southold Town, Inc. (CAST)** is a not-for-profit human service agency. CAST provides a safety net for residents in need in the areas of food, clothing, energy, health and education.

Donations accepted all year include: non perishable foods items to stock our food pantry (please call for updated pantry needs), fresh and frozen foods at the CAST office; paper products (toilet paper, paper towels, tissues), diapers, feminine products, laundry soap, cleaning products, gently used and washed seasonal clothing not older than 5 years, toys, household items and appliances, new and used computers that will support the internet and furniture for referral only. In August CAST collects new school supplies and in December we collect new toys and gifts for our annual Christmas distribution to our clients.

Volunteer are always needed at CAST. Opportunities include: carting and carrying (pick ups and deliveries), food pantry help, food drive help, light secretarial work, thrift room help, mentors and homework help, fundraising and grant writing/researching. After Thanksgiving, volunteers are needed to secure, wrap and distribute large cardboard boxes for toy collection throughout the Town. December 14-20, volunteers are needed to help set up and distribute gifts to needy families at the Greenport Firehouse.

The CAST office has a wish list that includes the following items: truck storage shed, vacuum, tool kit, light bulbs, rugs, snow shovel, manila file folders, copy paper, colored copy paper and basic office supplies.

We graciously accept your generous financial support as CAST is funded solely by the local community.

For further information, please call CAST @ 477.1717.

Thank you for your ongoing support!
